Case No. 25-cv-6491

Judge Franklin U. Valderrama

Magistrate Judge M. David Weisman

ORDER

THIS CAUSE coming before the Court on Plaintiff MILWAUKEE ELECTRIC TOOL CORPORATION's ("Plaintiff") *Ex Parte* Motion for Expedited Discovery (the "Motion") [14] against the fully interactive, e-commerce stores¹ operating under the seller aliases identified in Schedule A to the Complaint and attached hereto (collectively, the "Defendants") and using at least the online marketplace accounts identified in Schedule A (the "Online Marketplaces"), and this Court having considered the Motions and the accompanying record, GRANTS Plaintiff's Motion as follows.

This Court finds that, in the absence of adversarial presentation, it has personal jurisdiction over Defendants since each Defendant directly targets its business activities toward consumers in the United States, including Illinois. Specifically, Plaintiff has provided a basis to conclude that Defendants have targeted sales to Illinois residents by setting up and operating at least one e-

commerce store that targets United States consumers using one or more seller aliases, offers shipping to the United States, including Illinois, accepts payment in U.S. dollars and/or funds from U.S. bank accounts, and has sold products using infringing and counterfeit versions of Plaintiff's federally registered trademarks (the "MILWAUKEE Trademarks") to residents of Illinois. Accordingly, this Court orders that:

1. Plaintiff is authorized to issue expedited written discovery to Defendants, pursuant to Federal Rules of Civil Procedure 33, 34, and 36, related to:
 - a. the identity and location of Defendants, their officers, agents, servants, employees, attorneys, and any persons acting in active concert or participation with it, including all known contact information and all associated e-mail addresses;
 - b. the nature of Defendants' operations and all associated sales, methods of payment for services, and financial information, including, without limitation, identifying information associated with their Online Marketplaces and Defendants' financial accounts, including Defendants' sales and listing history related to their Online Marketplaces; and
 - c. any financial accounts owned or controlled by Defendant, including its officers, agents, servants, employees, attorneys, and any persons acting in active concert or participation with it, including such accounts residing with or under the control of any banks, savings and loan associations, payment processors or other financial institutions, including, without limitation, Alibaba, Aliexpress, Alipay, Amazon, Temu or other merchant account providers, payment providers, third party processors, and credit card associations (e.g., MasterCard and VISA).

2. Upon Plaintiff's request, any third party with actual notice of this Order via electronic or other means who is providing services for the Defendants, or in connection with Defendants' Online Marketplaces, including, without limitation, any online marketplace platforms such as Alibaba, Aliexpress, Alipay, Amazon and Temu (the "Third Party Providers"), shall, within seven (7) calendar days after receipt of such notice, provide to Plaintiff expedited discovery, limited to copies of documents and records in such person's or entity's possession or control sufficient to determine:
 - a. the identities and locations of Defendants, their officers, agents, servants, employees, attorneys, and any persons acting in active concert or participation with them, including all known contact information and all associated e-mail addresses;
 - b. the nature of Defendants' operations and all associated sales, methods of payment for services, and financial information, including, without limitation, identifying information associated with the Online Marketplaces and Defendants' financial accounts, including Defendants' sales and listing history related to their Online Marketplaces; and

- c. any financial accounts owned or controlled by Defendants, including their officers, agents, servants, employees, attorneys, and any persons acting in active concert or participation with them, including such accounts residing with or under the control of any banks, savings and loan associations, payment processors or other financial institutions, including, without limitation, Alibaba, Aliexpress, Alipay, Amazon, Temu, or other merchant account providers, payment providers, third party processors, and credit card associations (e.g., MasterCard and VISA).
